

JOB OFFER

COMMUNICATION COORDINATOR

THE COMPANY

Nintendo European Research and Development (NERD) is a French subsidiary of Nintendo. We create key software technologies for the most innovative and popular game consoles in the world. In close cooperation with other centers of excellence in Japan and USA, we ship cutting edge solutions powering new experiences at the heart of the game system on hundreds of millions of consoles. Achievements include major contributions in video, media, imaging, cryptography, and hardware abstraction for Nintendo Wii U™, New Nintendo 3DS™, as well as for Nintendo Classic Mini: NES™. Come and discover our team of highly skilled professionals working in a friendly environment in the center of Paris.

POSITION DUTIES

- Translate written communication and documents exchanged between NERD and other Nintendo affiliated groups, from English to Japanese and from Japanese to English.
- Perform English <> Japanese interpretation for periodic video conference meetings.
- Ensure smooth communication and coordination between NERD and other Nintendo affiliated groups, helping development teams overcome linguistic/cultural differences and contributing to project success.
- Maintain confidentiality of project-related documents and communication.
- Work within a tight schedule and deliver translations in a timely manner.

CANDIDATE PROFILE

The candidate must be highly proficient in both Japanese and English and have a good understanding of Japanese business manners. The candidate must also have good communication skills.

REQUIRED SKILLS AND QUALIFICATIONS

- Excellent Japanese <> English translation and interpretation skills
- At least two years of professional interpreting experience
- Experience working in engineering/research environments or a good ability to adapt to such environments
- University degree (bachelor's degree or equivalent)
- General computer literacy (Word, Excel, PowerPoint, etc.)

ADDITIONAL SKILLS AND EXPERIENCE

- Taste for highly technical topics
- Interest in video games a plus

ADDITIONAL INFORMATION

A standard work visa is required (no student or working holiday visas). This full time position is located in central Paris, France.

Please send a CV and cover letters in English and Japanese to "jobs@nerd.nintendo.com", including "[PTCC1702]" in the subject field.
